CONSULTATIONS

For some of our services it is best to come and see us for a consultation prior to booking so we can assess your hair and offer the best advice and service possible.

* **Colour Consultations** - if you are unsure of what you are trying to achieve or want some advice on anything Colour related

* **Nano Keratin - prices start from £180**
 Ultimate hair smoother, perfect for helping you to achieve smooth straight hair

* **Hair Extensions** - on consultation we colour match your hair and assess the condition and give advice on the best method to use

* **Perms** - have a discussion on how perms can support your hair cut and what is the best type of curl for you.
